Following is an appropriate Mapquest Map to assist in your travel from the Orlando International (MCO) Airport since most people attending meetings at Melbourne will be flying into Orlando. If you fly into the Melbourne (MLB) Airport, appropriate local directions available at the airport with your rental car agency should prove adequate. Reference the Mapquest Map on the next page showing the location of the Melbourne Airport.

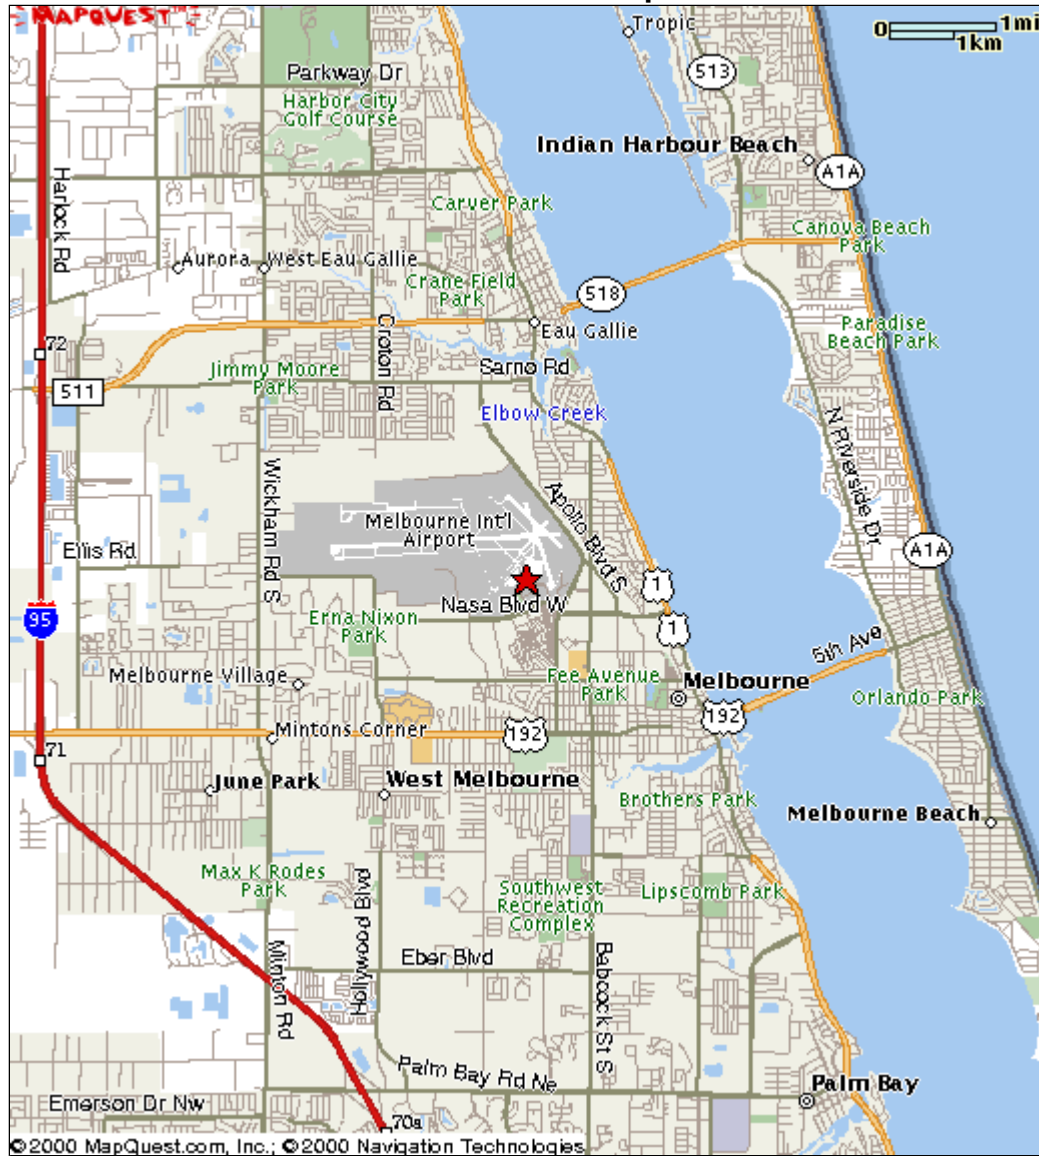

In short, if traveling from Orlando International Airport (MCO):

1. Take the Beeline Toll Road, State Road 528, east bound to I-95 South
2. Take I-95 South to the Eau Gallie Exit, i.e., Exit #72, State Road 509 (do not be confused by the map showing Sarno Road, or 509. Sarno and Eau Gallie are the same exit. 509 refers to Wickham Road which runs North—South).
3. Take State Road 518 east bound across the causeway until you reach US-A1A
4. Take US-A1A south bound for approximately 0.25 miles until you see the Radisson and Hilton on the left. Drive further south for about 0.5 miles for the Holiday Inn, then another mile for the Quality Suites.
